

4.4/4.7 kW Portable Air Conditioner

This Portable Air Conditioner offers both options of heating and cooling and a cost effective rate. Being able to have the flexibility of moving something around to make sure your getting the desired result is key, also having the comfort of being in a room that is comfortable for you.

FEATURES

With a modern design, and slim look, the air conditioner is non intrusive and can be tucked away nicely and can go unnoticed.

With very minimal noise, the irritating humming noise you are still able to watch your television without having turn it up to maximum and can go to sleep without having to use earplugs.
